*Even when the darkest clouds are in the sky,  
You mustn't sigh and you mustn't cry,  
Just spread a little happiness as you go by - please try!  
What's the use of worrying and feeling blue,  
When days are long keep on smiling through,  
And spread a little happiness as dreams come true.  
Surely you'll be wise to make the best of every Blues day,  
Don't you realise you'll find next Monday or next Tuesday  
Your Golden Shoes Day,*
