

Prince Ali (Sultan, Chorus)

Make way for Prince Ali
Say hey! It's Prince Ali

Hey! Clear the way in the old Bazaar
Hey you! Let me through!
I'm a bright new star!
Oh Come! Be the first on your block to
meet my eye!

Make way! Here he comes!
Ring bells! Bang the drums!
Are you gonna love this guy!

Prince Ali Fabulous me!
Ali Ababwa
Genuflect, show some respect
Down on one knee!
Now, try your best to stay calm
Brush up your Sunday salaam
Then come and meet my spectacular
coterie

Prince Ali Handsome is he, Ali Ababwa
That physique! How can I speak
Weak at the knee
Well, get on out in that square
Adjust your veil and prepare
To gawk and grovel and stare at Prince
Ali

To gawk and grovel and stare at Prince
Ali

A Dream is a Wish your Heart makes
(Fairy)

A dream is a wish your heart makes,
When you're fast asleep,
In dreams you lose your heartaches,
Whatever you wish for, you keep.

Have faith in your dreams and someday,
Your rainbow will come smiling through,
No matter how your heart is grieving,
If you keep on believing,
The dream that you wish will come true.

Dancing with the Captain (Chorus,
Alderman, Alice, Dick, Tom, Dolly,
Jack, Captain, Scupper)

Do do do do do do do do do
Do do do do do do do do

I've asked our position
But the crew don't know
They are all jiggling up in the rigging
'Cos the captain loves to rock and roll

I've looked out to sea
there is no land in sight
The ship will sail right on through the
night
Ev'ryone is cheering, no-one is steering
But we seem to be doing all right

Ev'rybody is dancing with the captain
Ev'rybody is dancing with the captain
Just look at us dancing with the captain
We'll all have fun the whole night long
As the ship sails on

Soon the captain will be out of control
He'll say "This here's the place if you
go the sole"
Keep on cruising, let's have the music
Our captain loves to rock and roll"

Ev'rybody is dancing with the captain ...

In the navy (Captain, Scupper, Chorus)

In the navy, You can sail the seven seas
In the navy, You can put your mind at
ease

In the navy, Come on now, people, make
a stand

In the navy

Can't you see we need a hand

In the navy, Come on, protect the
motherland

In the navy, Come on and join your
fellow man

In the navy, Come on people, make a
stand

In the navy, in the navy

The Sun Has Got His Hat On (Chorus)

Joy bells are ringing,
The songs birds are singing,
And ev'ryone's happy and gay.
Dull days are over,
We'll soon be in clover,
So pack all your troubles away.

The sun has got his hat on
Hip-hip-hip-hooray!
The sun has got his hat on,
He's coming out today.

Now we'll all be happy,
Hip-hip-hip-hooray!
The sun has got his hat on,
And he's coming out today.

He's been roasting peanuts out in
Timbuctoo,
Now he's coming back to do the same
for you.
So jump into your sunbath
Hip-hip-hip-hooray!
The sun has got his hat on,
And he's coming out today.

Never saw the grass so green
Never saw the sky so blue
What a lot of fun to ev'ryone,
Sitting in the sun all day.

All the little boys excited,
All the little girls delighted,
What a lot of fun to ev'ryone,
Sitting in the sun all day.

Now we all be happy
Hip-hip-hip-hooray!
The sun has got his hat on,
And he's coming out today.

Our Song (Dick, Alice)

It's a little bit funny this feeling inside
I'm not one of those who can easily hide
I don't have much money but boy if I
did
I'd buy a big house where we both could
live

If I was a sculptor, but then again, no
Or someone who makes potions in a
travelling show
I know it's not much but it's the best I
can do
My gift is my song and this one's for
you

And you can tell everybody this is our
song
It may be quite simple but now that it's
done
I hope you don't mind
I hope you don't mind that I put down
in words
How wonderful life is while you're in the
world

I hope you don't mind
I hope you don't mind that I put down
in words
How wonderful life is while you're in the
world

Sailing (Chorus)

We are sailing, we are sailing.
Home again, across the sea.
We are sailing stormy waters
To be near you, to be free

Nine To Five (Chorus, Jack)

Tumble out of bed and stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life
Jump in the shower and the blood starts pumping
Out on the street the traffic starts jumping
With folks like me on the job from nine to five

Working nine to five what a way to make a living
Barely getting by it's all taking and no giving
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it
Nine to five for service and devotion
You would think that I would deserve a fair promotion
Want to move ahead but the boss won't seem to let me
I swear sometimes that man is out to get me

They let you dream just to watch 'em shatter
You're just a step on the bossman's ladder
But you got dreams he'll never take away
In the same boat with a lot of your friends
Waitin' for the day your ship will come in
Then the tide's goin' to turn and it's all goin' to roll your away

Working nine to five

Homeward bound (Dick, Tom)

I'm sittin' in the railway station
Got a ticket for my destination
On a tour of one night stands
My suitcase and guitar in hand
And every stop is neatly planned
For a poet and a one man band

Homeward bound
I wish I was Homeward bound
Home, where my thought's escaping
Home, where my music's playing
Home, where my love lies waiting
Silently for me

Everyday's an endless stream
Of cigarettes and magazines
And each town looks the same to me
The movies and the factories
And every stranger's face he sees
Reminds him that he longs to be

Homeward bound

Everybody wants to be a cat (Tom)

Everybody wants to be a cat
Because a cat's the only cat
Who knows where it's at
Everybody's pickin' up on that feline beat
'Cause everything else is obsolete

A square with a horn makes you wish you weren't born
Everytime he plays
With a square in the act you can set music back
To the cave man days

Everybody wants to be a cat
Beause a cat's the only cat who knows where it's at
While playin' jazz you always have a welcome mat
'Cause everybody digs a swinging cat
Everybody digs a swinging cat
Everybody digs a swinging cat

Eye of the Tiger (King Rat, *Ratlings*)

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the cream of the fight
Risin' up to the challenge of our rivals
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'til we take to the street
For we kill with the skill to survive

It's the eye of the tiger

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger

Give Three Cheers (Captain, *Scupper, Chorus*)

I am the Captain of The Faringdon!
And a right good captain, too!
You're very, very good,
And be it understood,
I command a right good crew.

We're very, very good,
And be it understood,

He commands a right good crew.

Though related to a peer,
I can hand, reef, and steer,
And ship a selvagee;
I am never known to quail
At the fury of a gale,
And I'm never, never sick at sea!

What, never? No, never!
What, never? Hardly ever!
He's hardly ever sick at sea!

Then give three cheers, then another one,
For the hardy Captain of The Faringdon!
(x2)

I do my best to satisfy you all
And with you we're quite content.
You're exceedingly polite,
And I think it only right
To return the compliment.

We're exceedingly polite,
And he thinks it's only right
To return the compliment.

Bad language or abuse,
I never, never use,
Whatever the emergency;
Though 'bother it' I may
Occasionally say,
I never use a big, big D

What, never? No, never!
What, never? Hardly ever!
Hardly ever swears a big, big D

Then give three cheers, then another one,
For the hardy Captain of The Faringdon!
(x2)

Hello Dolly (Chorus, Dolly)

Hello, Dolly,.....well, hello, Dolly
It's so nice to have you back where you
belong
You're lookin' swell, Dolly.....I can tell,
Dolly
You're still glowin'...you're still
crowin'...you're still goin' strong
We feel the room swayin'.....while the
band's playin'
One of the old familiar songs from way
back when
So..... take her wrap, fellas.....find her
an empty lap, fellas
Dolly'll never go away again

(instrumental break)

Hello, Dolly,.....well, hello, Dolly
It's so nice to have you back where you
belong
You're lookin' swell, Dolly.....I can tell,
Dolly
You're still glowin'...you're still
crowin'...you're still goin' strong

**I feel the room swayin'.....while the
band's playin'
One of the old familiar songs from way
back when
So...golly, gee, fellas....find me an empty
knee, fellas
I will never go away....**

She says, she'll never go away
Dolly'll never go away again

All in this together (All, except Rats)

Together, together, together everyone
Together, together, come on lets have
some fun
Together, we're there for each other
every time
Together, together come on lets do this
right

Here and now its time for celebration

I finally figured it out (yeah yeah)
That all our dreams have no limitations
That's what its all about (yeah yeah)

Everyone is special in their own way
We make each other strong (we make
each other strong)
Were not the same
Were different in a good way
Together's where we belong

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
There's a chance
That we have
And we take it

Wild cats sing along
Yeah, you really got it goin' on
Wild cats in the house
Everybody say it now
Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Lets get to it
Time to show the world

That's what friends are for (*Alice, Dick*)

We are friends, we are friends
We are friends to the bitter end (*the bitter end*)

When you're alone (when your alone)
Who comes around (who comes around)
To pluck you up (to pluck you up)
When you are down (when you are down)
And, when you're outside lookin' in
Who's there to open the door?
That's (that's) *what* (what) *friends are*
for

Who's always eager to extend
A friendly paw?
That's what friends are for

And when you're lost in dire need,
Who's at your side at lightning speed?
We're friends with every creature
comin' down the pike
In fact, we've never met anyone we
didn't like
Didn't like

So you can see (*so you can see*)
We're friends in need (*we're friends in need*)
And friends in need (*friends in need*)
Are friends indeed (*are friends indeed*)
I'll keep you safe in the jungle,
forevermore
That's what friends are for!
