

Faringdon Dramatic Society

What has FDS ever done for us?

As a member of Faringdon Dramatic Society you can:

- Have the opportunity to audition and perform in any of our three productions a year.
- Promote, direct or produce a play of your own choosing. (Guidance documents available on our website.)
- Take part in the many production team roles either on or off stage.
- Attend play readings held throughout the year.
- Have your own work read and possibly put on by the society.
- Go on the occasional organised theatre trip.
- Join us for our annual summer barbecue and Christmas dinner.
- Take part in our exchange opportunities with Garrison Little Theatre in Fort Erie, Ontario, Canada.
- Receive emails concerning the various activities provided by the society and emails forwarded from related societies or other bodies that may be of interest.
- Have access to the membership area of our website, where you can find all the various documents and policies produced by the society.
- Attend our AGM to have your say and to elect members of the committee.
- Join a truly democratic and sociable group of like-minded people of all ages and make new friends (especially if you are new to the area or just lonely!).
- Generally help to provide quality entertainment for the local community and promote the theatre experience to both the young and old.
- And finally don't forget the after-show parties.
