

**Acknowledgements :** Our thanks are due once more to Messrs. White Bros. for sale of tickets and to Mr. Frank Thair for his window display of photographs.

**Something New :** To-night's show is a new departure for the Society. It was felt that something like this would meet the needs of those who prefer Variety to a straight play.

**Hiring :** This Theatre may be hired by Local Organisations for Concerts, etc., at a fee sufficient to cover the cost of heating and lighting. Applications should be made to the Secretary or Treasurer.

**Membership :** A Theatre or a Dramatic Society is like the world—it takes all kinds to make it. We repeat that we are happy to welcome new members. Yearly subscription is only 5/-.

**Important Dates :** Our next full-length play will be presented on April 6th, 7th, 8th and 9th. It will be Philip King's highly successful farce, "See How They Run." Even the mice laughed at this!

**Thanks :** We would like to express our sincere thanks to our Guest Artistes, Watcyn Evans and his accompanist, Azuri, Joyce Midge and Maureen Dyer.

G. R. GREGSON, Chairman.

W. G. REEVES, Secretary.

G. J. YOUNG, Treasurer.
